

Warrant Issued For Father Of Missing Child

Wednesday, 23 January 2013 12:52 - Last Updated Wednesday, 23 January 2013 12:53

Mauston Police Chief Mark Messer says they are concerned about the

welfare of a child missing since September in a custody dispute. Messer said that his department entered Logan Tadder, who was born in April 2010, as missing January 21st, and that a request for charges had been referred to the district attorney's office against the father.

A warrant for Kevin J Tadder was issued this morning along with a felony charge of interference with child custody beyond visitation.

Anyone with information about the child or his father are asked to call the Mauston Police Department at 847-6363.
