

More Freedom For Easy Riders...Free Ramp Parking

Thursday, 21 February 2013 12:21 -

If you want to park for free in a La Crosse ramp after the city installs ticket stations...try riding a motorcycle.

The city parking board says cycles and scooters will be exempt from the requirement of taking a ticket and paying an hourly fee, once the ticket system takes effect this summer. Main reason for that decision? Motorcycles and scooters can just drive around the gate where cars have to stop for a ticket. Special spots will be set aside in the ramps for the two-wheelers.
