A Richland Center man faces several charges after a week-end accident in La Crosse. Cops say 25 year-old Clinton Annis led one officer on a high speed chase for a short distance downtown at about three on Saturday morning. Annis nearly hit another officer's squad before slamming into a parked car on Market street. Drunk driving, police say. And inside the car, his two small children and their mom. The woman and one of the children suffered minor injuries.
