

## Crossing Guard Ticketed for Pot Possession

Monday, 08 April 2013 11:55 -

---

Looking for part time work? La Crosse city police might be looking for a new crossing guard. One of their current guards, a 42 year-old man, was caught with marijuana over the week-end. Cops say the guy was sitting in a parked car on Avon street at about three on Sunday morning. It looked suspicious to one officer. And the very strong smell of marijuana was an attention grabber as well. The crossing guard was issued tickets for possession.
