

Park Reopens

Friday, 17 May 2013 10:58 - Last Updated Friday, 17 May 2013 11:00

The U.S. Army Corps of Engineers is reopening its Blackhawk Park, near De Soto after high water flooded access to the park.

Park rangers are opening approximately 50 percent of the sites on a walk in or first come, first serve basis.

As the water continues to recede, the Corps hopes to open additional sites in time for Labor Day weekend.
