

New Evidence Surfaces in Shrine Theft

Monday, 09 September 2013 11:37 -

More evidence coming on the theft of donations from the Shrine of Our Lady of Guadalupe in La Crosse earlier this month. Cops now have video of a couple who apparently stole out of donation boxes at the shrine church and a golf cart used to taxi pilgrims around the grounds. It's not clear how much the couple stole from the boxes. And no identities yet but one witness who saw the young suspects at the shrine describes them as "grungy."
