

Hammer Wielder Attacks Smoking Woman, Spits at Cops

Monday, 30 August 2010 11:45 -

Big ol' fight at Ye Old Style Inn this week-end. When cops showed after midnight on Saturday, they figure more than two dozen people were in the street at the La Crosse south side bar. One arrest: 18 year-old Tavier Holling. They say Holling attacked a woman standing outside the bar smoking. Beat her with a hammer. After which, his mother got in a couple licks on the victim. The woman tells cops she doesn't know Holling or his mother and doesn't know why she was attacked. Holling's in trouble for the hammer attack and for spitting in the face of two cops during his arrest.
