

Stranger Attack in Downtown La Crosse Nets Victim Head Injury

It tends to get a little rough in downtown La Crosse late at night during the week-end. Occasionally even for innocent bystanders. Like the guy cops took a complaint from early Sunday morning. The 22 year-old college student was downtown with friends when he was attacked. Said he was brutally shoved into the side of a bar building on third street. Good enough to give him a two inch gash in the back of his head. Docs needed seven staples to close it. Police are still searching for the shoving suspect.
