

Wisconsin Department of Transportation

Bliss Road and County YY and Highway 14 will take quite a bit of tread from

now to November. That's because that's the route you'll have to take if you are used to traveling Highway 33. That highway is now closed for construction says Jim Simmonelli with the DOT.

[\(Click for Audio\)](#)

He also tells us that a two part pavement repair of Highway 16 starts later this month. The first phase starts late April and will continue through June.
