

## **Arrest Made For Possible Meth Baking on Northside**

Monday, 18 August 2014 09:46 -

---

A tip to police about a meth operation on the northside of La Crosse has led to the arrest of one man. Cops made the bust early Sunday morning after a call about a meth house on Loomis street where operators were involved in the "shake and bake" method for meth production. They arrested 23 year-old Christian Weber after a short chase and found some drugs. It's unclear whether he's actually involved in meth production and dealing.
