

Arrest In Jackson County Murder

Friday, 22 October 2010 12:10 -

A 23-year-old man is suspected of killing the Jackson County man who was found dead in his home on Wednesday.

Aaron Powers was arrested at a park near New Lisbon yesterday, while he and others were camping. The group was near a stolen pickup truck belonging to Terrance Stoen of North Bend, who was shot in the head several days ago. Investigators believe the shooting happened during a burglary at Stoen's house.
