

The State of Wisconsin is monitoring the first winter storm of the season that will hit southern Wisconsin tonight. The National Weather Service has issued Winter Storm Warnings and Advisories from Eau Claire to the Milwaukee area.

The storm system is expected to move into the state by late afternoon and will continue thru Saturday afternoon. Forecasters are expecting 4-6 inches of snow.

Motorists should be prepared to adjust travel plans and take extra precautions. The snow will impact travel Friday evening through Saturday morning. Current winter road conditions are available at www.511wi.gov or call 511.
